<b>Job Title</b> - Political Research Analyst	<b>Department</b> - Research
<b>Location</b> – Bengaluru, Karnataka	<b>Reporting To</b> - Director
<b>Employment Type</b> - Full Time	<b>Qualification</b> - Masters in Political Science or

## **Responsibilities and Duties**

- Broad variety of research tasks including, but not limited to issue primers, constituency reports, briefing documents, and speech inputs.
- Researching public opinion through techniques including questionnaires, surveys, and interviews
- Researching political systems, foreign relations, government laws and regulations, and political ideologies and evaluating the effects of these on political, social, and economic spheres.
- Collecting data from various sources, such as historical documents, public opinion surveys, and election results to develop and test political theories.
- Use statistical analysis to interpret research findings
- Develop political theories based on research and historical documents
- Monitor current events, policy decisions and legislation changes
- Establishing contacts and sources for future research opportunities.
- Reviewing and analyzing media coverage (print and broadcast), public opinion surveys and expert opinions from economists, government representatives and political consultants.
- Following the detailed research, analysis and reporting on all the issues identified
- Publishing the latest trends, developments and critical factors, within the political, social and economic sphere.
- On a day-to-day basis the role would comprise researching secondary and primary sources and produce timely and extensive research documents. These could take the final form of manifestos, speech inputs, constituency reports and/or published articles.
- Follow through on all projects and meet strict deadlines while remaining highly detail-oriented.
- Liaising with individuals from other companies or political offices in order to discuss research issues.

## **Qualifications**

- 3+ year track record of participating in political research
- Experience overseeing simultaneous political campaigns
- Understanding of current social & political trends
- Excellent organizational skills
- Willing to travel domestically
